OBAN SPORTIVE

29TH SEPTEMBER 2013.

Oban Sportive is the must do charity cycling challenge for 2013. The two testing routes take you through Argyll's breathtaking scenery for the most part on traffic free back roads. Starting and finishing at the sea port of Oban, the rides promise to test man and machine in the best backdrop in the UK. Expect sea views, lochs large and small, highland glens, tough riding and a warm welcome.
